HOW IT WORKS

Your daily dose of health in 3 simple steps

01

Tell us what you like (and what not)

Never again waste time thinking about what to eat! Omnifood AI will create a 100% personalized weekly meal plan just for you. It makes sure you get all the nutrients and vitamins you need, no matter what diet you follow!

02

Approve your weekly meal plan

Once per week, approve the meal plan generated for you by Omnifood AI. You can change ingredients, swap entire meals, or even add your own recipes.

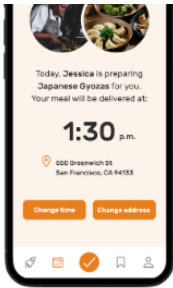

03

Receive meals at convenient time

Best chefs in town will cook your selected meal every day, and we will deliver it to your door whenever works best for you. You can change delivery schedule and address daily!

Stayin' Alive 1

No, Rose, they are not breathing. And they have no arms or legs ... Where are they? You know what? If we come across somebody with no arms or legs, do we bother resuscitating them? I mean, what quality of life do we have there?

— Michael Scott

Act Before It's Too Late!

A good idiom for kids is "It's raining cats and dogs."
Kids know what that means and learn from it.

Kids know what both cats and dogs are from an early age.
